ABOUT OUR BENCHES

KDM Lab Solutions Series 1000 Benches are fully welded for to be able to accommodate all your lab needs. Work surfaces are comprised of 1" thick epoxy for maximum chemical resistance. Table Frames are 6" height adjustable, allowing under counter refrigerators and freezer. Each bench has the capacity for the addition of suspended casework, with multiple sizes and configuration available.

Standard setup includes:

- 5' Bench
- 2 Upright Shelves
- Suspended Casework

Many casework styles available.
View configurations on next page.
